Summary

I sell, and I build the tools a sales team works from. Since June 2025 I've personally closed 53 vehicle sales and collected \$206,777 in sale proceeds at a Houston used vehicle dealership. I take sales calls, follow up by phone and text, negotiate deals and handle service issues after the sale, and I speak Spanish professionally and proficiently. Across August and September 2026 the inbound voice AI I deployed averaged 41 inbound calls, 14 booked appointments and 4 CRM-matched vehicle sales per month (\$15,000 a month in sale proceeds).
