Summary

I get the paperwork right and on file. At a Houston used vehicle dealership I prepare and file title and registration paperwork, including the Form 130-U and webDEALER; prepare deal jackets and contracts (bills of sale, buy here pay here contracts and disclosures); keep the dealer license compliance and record-keeping in order; and service buy here pay here accounts and collections. I also built the sale desk that routes each deal to the right documents with nothing missing and nothing extra.
